

Dear Friend of Respite,

We invite you to a unique opportunity to support respite for the world's family caregivers by sponsoring the **2020 International Short Break (Respite) Conference** hosted by the International Short Break Association (ISBA), the University of Wisconsin-Madison School of Nursing, the ARCH National Respite Network and Resource Center, and the Respite Care Association of Wisconsin. The conference will be held June 16-19, 2020, at the Monona Terrace Convention Center, Madison, Wisconsin. Interesting fact - Monona Terrace was designed by Frank Lloyd Wright, one of the most influential architects of the late 19th and early 20th century.

The conference theme, ***Moving Respite Forward***, is inspired by the State motto of Wisconsin, which reflects the State's continuous drive to be a national leader. This conference will provide an opportunity to advance knowledge and understanding of respite by learning from and with international leaders in the field of respite.

According to the World Health Organization (WHO), 15% of the world's population has a disability, and most of the time a family member becomes the primary caregiver. Family caregivers provide support, assist with daily living tasks, and even perform medical procedures for loved ones with disabilities or chronic conditions to help them remain at home. While most family members provide this care out of love and commitment, many do so without support. Respite care has been shown to help alleviate family caregiver stress and improve health. Yet, most family caregivers are not receiving respite. To address this need, innovative research, policies, and best practices on respite from both the public and private sectors will be showcased at the conference. We expect as many as 400 participants from across the world to attend the event. There will be over twenty breakout workshops to showcase best practices, ground-breaking research, new respite approaches, and family caregiver wellness topics will be featured for people of all ages and abilities.

A variety of sponsorship and exhibitor options are described in the attached materials. We look forward to your support and working with you in the long-term services and supports arena. Please consider sponsoring or exhibiting at the 2020 International Short Break (Respite) Conference to help move respite forward. If you need more information, please visit the Sponsorship and Exhibitor Information link on the conference website at <http://www.isba.me> or contact Laura Richards by email isba2020@union.wisc.edu or phone 608-265-6534.
